To whom it may concern,

I am writing on behalf of Craig Henry. Craig has been a colleague of mine for the past 6 ½ years. During this time Craig has produced quality documentation in both printed and online formats and has been instrumental in rebranding and streamlining the existing documentation set of approximately 9000 pages to suit Orion Health needs.

Craig has always strived to gain the maximum in customer satisfaction through a relentless pursuit of quality documentation goals.

I have every confidence that Craig would meet your highest standards in any role assigned.

Please feel free to contact me directly if you have any further questions or would like any further information.
