TO WHOM IT MAY CONCERN

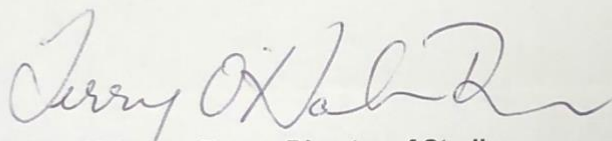

I write in relation to Craig Henry's employment by Study Group Australia. Craig worked for Study Group as a Graphics Design Facilitator which involved:

- Delivery of courses across a range of multimedia and print design packages
- Development of Curriculum instructional materials which have been adopted by all campuses and endorsed by our National Academic Office
- Assisting students with design concepts and production

Additionally, Craig has assisted the scheduler in timetabling activities by:

- Completing data entry of enrolling students
- Liaised with teaching staff to inform them of their allocations

Craig is a confident instructor and applies his skills to the delivery of the courses in a confident and clear manner.
